

# SOLIHULL HALF Marathon

**SUNDAY 7TH APRIL 2019 - 10.30am**

Dear Runner,  
Thank you for entering the Solihull Half Marathon.

Start area for the Half Marathon:  
**Blythe Valley Park, Shirley, Solihull**  
Postcode for Sat Nav:  
**B90 8AF**

Here you will find adequate parking, but please arrive in plenty of time as we expect large numbers of vehicles, and long queues. Please use these car parks and do not park on the local streets, or any other part of the business park.

On arrival, please look out for signs for Half Marathon parking and follow our parking marshals' directions.

Please come "ready to run" as changing facilities are not available and we cannot provide shower facilities for the numbers involved.

Prizes will be awarded as soon as possible after the race. First 3 men and first 3 women only this year. Goody bags and medals for everybody.

Results will be published on the day or soon afterwards, and will also be available on our website [www.kpevents.net](http://www.kpevents.net)

**RACE CHIPS** Please note we will be using timing chips, so we can give you very accurate results. This chip is now attached to the back of your race number.

Please treat it with care, and attach it to the front of your running top at the four corners with safety pins. Your race number should not be covered by anything or put on your back, this will affect the chip, and your time may not be recorded. We DO NOT require these to be returned after the race, but if they are lost before the event and need to be replaced, then a £5.00 administration fee will apply.

**ROUTE** Please note this year's route will start with a rolling road block for the first 4 miles, at the back will be a sweeper vehicle, if you fall behind this vehicle, then please get on the pavement where possible for your own safety. **Our sweeper vehicle will be closely followed by a coach which will collect any participants running slower than 15 minute miles, or an overall finish time of 3 hours 15 minutes - this is the cut off point for all finishers due to health and safety reasons.** The rest of the route has limited road closure, please take responsibility for your own safety and run in single file where possible. Please listen carefully, and follow marshal instructions. **THIS ROUTE WILL BE MANAGED BY A TRAFFIC MANAGEMENT COMPANY AND IS NOT A FULL ROAD CLOSURE RACE.**

**FACILITIES** Please note Virgin Active facilities are only available to Virgin Active members, all other participants are requested to use the catering and toilet facilities provided for the event.

**FINISH AREA** The finish line is the same as the start: Blythe Valley Park, Shirley, Solihull B90 8AF. Here you will collect your finishers medal and goody bag.
